

Asian Journal of Pharmaceutical Analysis

AJPAna

ISSN 2231–5667 (Print)

ISSN- 2231–5675 (Online)

Volume 11, Issue 01, January -March, 2021

CONTENT

- **A simple HPLC Method for *In-Vitro* Dissolution study of Brivaracetam in Pharmaceutical Dosage Form**
Pankaj Bhamare, Rupal Dubey, Neeraj Upmanyu, Pothuvan Umadoss..... 01
- **A Novel RP-HPLC Method for Determination of Esomeprazole in Pharmaceutical Dosage Forms in Human Plasma:A Pilot Stress Degradation Study**
Shanthi Diraviyam Shanmugakumar, Anjali, Nasreen Begum, Boga Uday..... 09
- **Determination of the amount of Simethicone in different Drug formulations by the Gravimetric method and comparison with the FTIR method by Chemometric methods**
Müge Güleli, Sezin İşsever, Cem Çalışkan, Mahmut Özbek..... 17
- **UHPLC/Q-TOF-MS Method for Determination of Antihypertensive Drugs and its Application to Pharmacokinetic Study**
Hamid Khan..... 22
- **U.V Radiation Effect on Growth and Survival of Bacteria *Staphylococcus aureus***
Sakshi Satyendranarayan Gupta..... 27
- **Development of Validated Analytical Methods and Stability Indicating studies for Pharmaceutical Formulation**
Praful Sahare, Dr. Amit Nayak, Dr. Alok Pal Jain, Harikishor Barange..... 29
- **Flamingo Flower as Natural pH Indicator**
Amar V. Desai, Aishwarya P. Bhosale, Rajanikant Ghotane..... 38
- **Development and Validation of RP-HPLC Method for the Estimation of Acyclovir in API and Tablet Formulation**
Vinod Matole, Dr. Yogesh Thorat, Akshay Javalgikar, Shraddha Jamakhandi, Pradip Pawar..... 41
- **A Review on Chromatography and Advancement in Paper Chromatography Technique**
Mr. Shinde Ganesh S., Dr. P. S. Rao, Dr. R. S. Jadhav, Piyusha Kolhe, Diksha Athare..... 45
- **Recent research on Analytical methods of Analysis of Artesunate: A Review**
Saravanan. R, Bharani Pandilla, Vijayageetha. R, Kavitha. M, Ashok. P..... 49
- **Instruction to author 54**
