### **CONTENT**

- **Stability Indicating Method Development and Validation for Estimation of Valacyclovir in Pharmaceutical Preparation**  
*Shailesh S. Chalikwar, Kailas K. Moravakar, Bhushan A. Bhairav* ..... 53
- **Development of Analytical method by UV and HPLC of Acetazolamide in bulk and tablet dosage form**  
*S. P. Chougule* ..... 60
- **A New Validated UV Spectroscopic Method for the Estimation of Favipiravir, an anti-influenza drug in COVID 19**  
*Devulapally Shravya, Jorige Archana* ..... 65
- **QbD Approach to Method Development, Validation and Degradation Profiling of Antifungal Drugs by RP-HPLC**  
*Pooja L. Kumbhar, Anita S. Kulkarni, Rita D. Chakole, Manoj S. Charde* ..... 69
- **RP-HPLC Method Development and Validation for the Etonogestrel and Ethinyl Estradiol in Pharmaceutical Dosage form**  
*Pavithra Bodagala, Y Divya, C Parthiban, M Sudhakar* ..... 76
- **An Updated Review on Analytical Method Validation of Tartaric Acid from Sodium Bicarbonate, Sodium Citrate, Citric Acid and Tartaric Acid Granules by RP-HPLC**  
*Seema Gosavi, Rushikesh Nanaware* ..... 81
- **Beyond the Spectrum: Exploring Unconventional Applications of Fourier Transform Infrared (FTIR) Spectroscopy**  
*Vinny Therissa Mangam, Divya Narla, Ravi Kumar Konda, Prakash Nathaniel Kumar Sarella* ..... 86
- **Advancement in High-Performance Liquid Chromatography Techniques: A Comprehensive Review**  
*Harish A. Gavit, Amol R. Pawar, Vikas V. Patil, Pankaj S. Patil, Pushpendra H. Sisodiya* ..... 95
- **A State-of-the-Art Review on Chromatographic Analysis of Alcaftadine**  
*Tejas G. Jain, Amitkumar R. Dhankani, S. P. Pawar, Mrs. Mansi A. Dhankani* ..... 104
- **A Review on Sample Preparation for Bio analytical Method Development by HPLC**  
*Pola Ravi Kumar, Pamarthi Tejaswi, Sowmya Koppera, Mundru Neha* ..... 109
- **Instruction to author** .....
