CONTENT

- **Development and Validation of UV-Spectroscopic Method for the Detection of Rutin from *Eucalyptus globulus* by using QbD Approach**
Pratibha M. Khot, Laxmi B. Bagewadi, Shital B. Khot 251
- **New Improved RP-HPLC Method for The Estimation of Favipiravir from Solid Dosage Form**
Gurappa Kashinath Dyade, Shyam Pralhad Bothikar, Bandu Eknath Zarekar, Dipali Bhimdevrao Taware 259
- **Method Development and Validation for Elemental Impurities in Deflazacort Tablet Dosage Form by Inductively Coupled Plasma Mass Spectrometry**
Vijay Patel, Nishu, Jaswandi Mehetre, Tushar Mehta, Kalpesh Upadhyay 265
- **UV Spectrophotometric Method Development and Validation for the Determination of Linagliptin into Bulk Drug and Commercial Formulation in different pH Medium**
Dipannita Naskar, Ujjal Manna, Banhishikha Kar 274
- **Analytical Method Development and Validation of Baricitinib: A Comprehensive Review of RP-HPLC and Spectroscopic Techniques**
Sangramsing Dipakising Deshmukh, Amitkumar Rajkumar Dhankani, Mansi Amitkumar Dhankani, Sunil Pandit Pawar 279
- **A Comprehensive Review on Analytical Strategies for the Determination of Tazarotene and Clindamycin in Single and Combination Dosage Forms**
Jagruti Girdhar Khairnar, Javesh K. Patil 285
- **Artificial Intelligence-Driven Personalized Insulin Regimens: Integration with Automated Delivery Devices, Continuous Glucose Monitoring and Predictive Algorithms**
Waghmare Suresh, Punam Nikam, Sakshi Ambhore 293
- **Chromatographic Approaches for the Determination of Grapiprant: A Review**
Mansi Shailendra Patil, Sunil Pandit Pawar, Amitkumar Rajkumar Dhankani, Mansi Amitkumar Dhankani 302
- **Ultra-High-Performance Liquid Chromatography: A Next-Generation Analytical Tool**
Shweta Vinod Raul, Sunila A Patil 307
- **A Comprehensive Review on Analytical Strategies for the Determination of Rifampicin in Single Dosage Forms**
Prachi Rajesh Patil, Javesh K. Patil 311
- **A Review on Analytical Method Development and Validation for Estimation of Vonoprazan Fumarate by RP-HPLC Method in Bulk and Tablet Dosage Form**
Manasvi M. Sonavane, Sunila A. Patil, Sunil P. Pawar 318
- **A Thorough Analysis of Analytical Techniques for Determining Dapagliflozin and Teneligliptin Hydrobromide Hydrate in Single and Combination Dosage Forms**
Kalyani Sanjaykumar Patil, Javesh K. Patil, J. K. Patil 325
- **Systematic Review on Analytical Methods of Favipiravir**
Prachi Sanjay Jadhav, Sunil P. Pawar, Amitkumar Rajkumar Dhankani, Mansi Amitkumar Dhankani 332
- **Instructions to Author** 337
